ClassDojo

Getting started on ClassDojo

ClassDojo is a simple, safe classroom management app that helps teachers encourage students in class, and easily communicate with parents. Teachers can sign up for free, and invite students and parents anytime.

3 steps to get started quickly!

1. Download the free ClassDojo app - or go to www.classdojo.com and create an account

2. Get set up by entering your student list

3. Get parents signed up by printing and sending home invitations, or invite them by email

6 top tips from teachers

- "Customize the skills you're encouraging to build a positive classroom culture!"

- "Give points to a table or group by selecting multiple students at once"

- "Try setting weekly ClassDojo goals to encourage students to grow"

- "Parents love receiving pictures of wonderful classroom moments - so go ahead and share!"

- "Turn up the volume to let students hear the positive 'ding' :)"

- "Try using the 'Random' button - my students love it!"

Easily introduce ClassDojo to students and parents

Introduction letter for parents

Back-to-school night presentation

Introduction video for students
